We are now accepting nominations for the Emily Williams Scholarship Award. This $3,500 award enables an E&H student to study in England or Scotland during the summer of 2016. One award will be given this year.

If you are interested, please choose a faculty member to nominate you and ask this professor to send a nomination letter to my office. The attached application lists the qualifications for this award. Please note that you must be a current **junior** in a degree program. A junior is defined as a student having between 57 and 86 credit hours.

Attached is an application that must be completed by the student. The application must be received in my office, Wiley Hall #120, by 4:00 PM on Monday, November 16, 2015. Finalists for the award will be interviewed by members of the Academic Council on Wednesday, December 2.

This is a wonderful opportunity and I encourage all eligible students to apply.
