What type of environment do you prefer in a residence hall? At Emory & Henry, as a first year student, you may choose either a "quiet hall" or a "traditional hall." The students who apply for quiet halls are simply asking for the option to meet with fellow students and vote whether to have some "quiet hours" beyond those required by the College. Check your preferences below:

Hall Preferences: ❑ **Quiet** or ❑ **Traditional**

In addition, you may choose to have a single gender hall or a co-educational one. Every attempt will be made you honor your request.
