Textbook Request Form

Anyone with a documented disability (including a visual impairment, certain specific learning disabilities or other physical disabilities which makes reading standard point difficult or impossible) is eligible to request textbooks in alternative formats. A popular choice is audiobooks available through Learning Ally, but the student must be a member of Learning Ally and request these books himself/herself. Academic Support Services personnel will assist students in obtaining electronic texts, which can be used with Read and Write Gold software to audibly "read" printed text. To request books in electronic format, please complete the following request form and return this form to: Cheryl Davenport, PRC Administrative Assistant in Wiley Hall, Room 220. You can also access this form electronically and return it by email to: cdavenport@ehc.edu. To retrieve electronic books, bring your textbook receipts and a flash drive to Academic Support Services in the Powell Resource Center (PRC).
