

OFFICE OF RESIDENCE LIFE

RESIDENCE REQUIREMENT WAIVER

Beginning with the Class of 1995, the Board of Trustees enacted a residential policy that states, "Emory & Henry requires that all students live in college-owned residences except for those students who reside with their parents, with guardians, or with spouses; those 22 years of age or older; part-time students with eight or fewer semester hours; or those students who have special medical or personal considerations which must be accommodated (documentation will be required). A waiver must be signed in the Office of Residence Life for approval for every student living off campus. If this Residence Requirement waiver is not completed, the student will be billed for room and board as a resident student."
