

***ATTENTION! PLEASE READ THE INFORMATION BELOW
BEFORE COMPLETING THE OTHER SIDE OF SHEET.***

It is highly recommended all athletes, regardless of sport, take the optional Student Insurance offered by Emory & Henry College. This policy normally costs around \$154.00 annually and is automatically placed on student accounts unless a waiver card is completed and returned to Emory & Henry. This policy pays the first \$1000.00 of any injury or accident occurring while participating as an Emory & Henry Athlete. All student-athletes are covered by Departmental Athletic Insurance that is provided free of charge by Emory & Henry College. **However, this insurance has a \$1000.00 deductible.** Taking the Student Insurance Policy would satisfy this deductible, thus eliminating any out-of-pocket expense students would incur. Please understand the Athletic Training staff tries to provide all of our student-athletes with the best possible medical care- however there may occasions when your son or daughter needs treatment or evaluation(s) we can not provide- it is under these circumstances this insurance is so important- this policy takes the worry out of where payment will come from.
