Free Advice - Planning for College and Financial Aid!

If your high school-aged son or daughter (or one of their friends!) is interested in learning more about Emory & Henry College, please share their contact information with us. The admissions staff will offer information about admissions requirements, the opportunity to participate in a campus tour, and advice about classes that should be taken in order to be better prepared for their college. We will also share information about scholarships, grants, and other financial aid.

We will call to set up a personalized campus tour or a meeting with one of the admissions staff so that your student will have the opportunity to learn more about E&H and plan for college.
