STUDY ABROAD POLICY**

All applicants for study abroad and experiential trips are asked to review and sign the following statement, which constitutes conditions for participation in all Emory & Henry College International programs.

1. I understand and agree that as a participant in an Emory & Henry College International Program (including study abroad and experiential programs), I am bound by the Emory & Henry College Honor Code and student handbook. I further understand that if I am attending a foreign university or college as part of an Emory & Henry College exchange, I am also subject to the conduct regulations of that institution. I agree to conduct myself with dignity, maturity, and respect for the place I am visiting as well as for Emory & Henry College, which I represent. I also understand that additional rules and procedures may apply to the specific trip I am taking.
2. I understand that I am subject to the laws of the host country and agree to abide by those laws. It is further understood that Emory & Henry College may be limited in its ability to provide assistance in the event of arrest and may also institute disciplinary proceedings.
3. I will attend pre-departure orientation sessions and listen carefully to what is expected of me.
4. I understand that I must obtain approval for transfer credit BEFORE my departure by using the application for approval of transfer credit form provided by the CSA office. To receive transfer credit, I must earn at least a C (2.0) or equivalent in the course completed at the host institution.
5. If I do not participate fully in the pre-departure orientation class, which includes keeping up with readings, completing all assignments, etc., I understand that I will not be able to take part in the study abroad experience. I also understand that if I do not meet these requirements and my participation is terminated, I may lose any non-refundable money that has been spent to pay for travel or program fees.
6. I agree to participate fully in all portions of the program and agree that any deviation I will make from the program design must be approved in advance in writing by the Director of International Education and/or the exchange liaison or trip leader.
7. I agree that the Director of International Education, upon the direction of the exchange liaison or trip leader, may terminate my participation in the program if
 - a. I engage in actions that endanger myself or others and/or
 - b. My conduct is considered to be detrimental or incompatible with the best interest and welfare of the program.I further agree that if expelled from the program, I will be responsible for all expenses incurred in returning to the United States.
8. **For Semester/Year abroad:** Participants are expected to comply with regulations established by their home universities and the host institution. CIEE resident staff may establish additional requirements that are essential to the students' achievement of their educational goals or to continuing good relations with the Host University or community. Resident staff may dismiss from the program any student who does not comply with the relevant regulations and requirements. The Resident Director will warn participants if they are not acting in compliance with program regulations. Participants are expected to take responsibility for changing their behavior or risk early dismissal and consequent loss of time, money, and academic credit. CIEE does not grant program fee refunds to students who are dismissed from their programs.

I am aware of the nature and the cost of the program and will guarantee that all financial obligations will be met.

I further understand that should the program, or any portion of the program, be canceled, Emory & Henry College shall have no responsibility beyond the refund of all deposits made and monies paid to Emory & Henry College by participants. In the unlikely event that a program is canceled prior to the start of the program (due to low enrollment or any other reason), CIEE will refund all payments received but will have no further liability to the participant.
10. If an emergency requires that a program be canceled following the program start date and prior to the end of an academic term, CIEE will make reasonable efforts to make alternative arrangements in order to allow students to complete their academic work. If alternative arrangements cannot be made, CIEE will make reasonable efforts to collect documentation of student work completed to date. CIEE will share this information with the home institutions of students enrolled in the program so the home institution will be able to decide whether to grant their students full or partial credit for work completed.
11. By signing my name below, I demonstrate that I have read and understood the conditions governing my participation in Emory & Henry College International Programming. I further understand the possible actions that will be taken should I act in a manner that is inconsistent with these conditions.
